Our bylaws require the calendar be set at least 99 days per MWF session and at least 66 days per Tues/Thurs session. Due to the various ways weeks fall, there could be more days planned for than the 99 or 66 days allotted per schedule but never less. Each month your monthly tuition is the same amount, as you are paying for number of days scheduled for the whole school year, even if the school is closed for the regularly and unscheduled days off.

**All classes are subject to change at any time due to enrollment. (updated 12/17)**
